Oman Aviation Boulevard

Our recommendations impacted in reduction of operation cost and creating long term value. Approved by the management of Oman Aviation Group the project is currently being implemented.

Habitat Mix Use Development

Our feasibility study and the recommendation helped improve the bankability and enabled the project to be mounted. The project is currently in development.

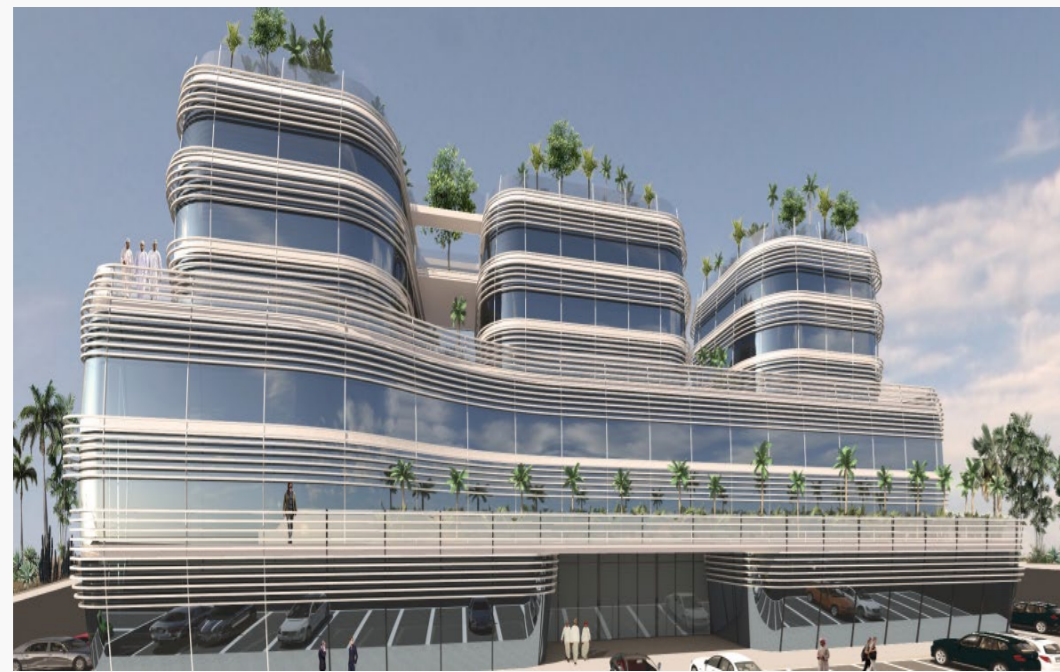

Date Holding Company In Oman

Our market research and implementation plan was instrumental in establishing 'Nakheel Oman Development Company' an OMR 92 million date holding company.

Our Projects

Industrial Innovation Centre

Worked closely with the client, project manager and consultant to develop a state-of-the-art industrial innovation centre in alignment with the client objectives and budget.

Mixed-Use Project

Our criteria-based hotel operator search resulted in introducing the “Corp” brand and HMM group in Oman. It is to be noted that HMM is a halal friendly hospitality group.

Recommendations & Financial Assessment

Our in-depth market study with development recommendations and financial assessment helped the management in the investment decision.
